

## Statement of Natural Origin Index

- Product Name : Sodium Myristoyl Glutamate

As per calculation formula regulated by ISO 16128-1:2016,the natural origin index is:

Natural Origin Index %=( Number of natural carton atoms/ Total carton atoms)\*100%

The Natural Origin Index of Sodium Myristoyl Glutamate is 1:

INCI	Classification	Calculation Formula	Natural Origin Index
Sodium Myristoyl Glutamate	Naturally Derived Ingredient	(Number of natural carton atoms/ Total carton atoms)*100% = (14+5/14+5) *100%	1
